| Table of Contents | 3 |
| Foreword | 5 |
| Eulogy..... | 7 |
| Introduction..... | 8 |
| A Safety & Health in Stone Crushing | 9 |
| A.1 A Word for the Owners: Managing Health and Safety in Stone Crushing..... | 10 |
| A.2 Preventing Accidents in a Stone Crushing Unit..... | 14 |
| A.2.1 Preventing Falls from Heights..... | 14 |
| A.2.2 Working Safely with Electricity..... | 16 |
| A.2.3 Machines and Power Tools | 19 |
| A.2.4 Using Gas Cylinders Safely | 21 |
| A.2.5 Keeping the Roads Safe..... | 22 |
| A.2.6 Securing Access to the Plant..... | 24 |
| A.3 Keeping Workers Healthy..... | 25 |
| A.3.1 Reducing Dust When Water is Available..... | 26 |
| A.3.2 Reducing Dust When Water is Not Available | 28 |
| A.3.3 Protecting Hearing from Noise..... | 32 |
| A.3.4 Using Personal Protective Equipment (PPE) | 34 |
| A.3.5 Working Safely at Night | 36 |
| A.3.6 Fighting off the Heat..... | 37 |
| A.3.7 Taking care of Human Needs | 39 |
| A.4 Being Prepared for Emergencies | 40 |
| B Improving Heavy Physical Work..... | 43 |
| B.1 Main crusher operator | 45 |
| B.2 Repair and Maintenance of the Main Crusher..... | 46 |
| B.3 Aligning the portable bucket conveyor for loading..... | 47 |
| B.4 Removing spilled stones..... | 48 |
| B.5 Leveling the Boulder Collection Pit..... | 49 |
| B.6 Cleaning work under the main crusher..... | 50 |
| B.7 Tally clerk work station | 52 |
| B.8 Maintenance work activities..... | 53 |
| B.9 Cleaning and housekeeping work around crushers | 55 |
| B.10 Going to the top boulder loading | 58 |

| | | |
|----------|---|-----------|
| B.11 | Removal of Jammed Boulders in the Main Crusher | 59 |
| B.12 | Truck loading by bucket conveyors | 59 |
| C | How Much Does an Accident Cost? | 61 |
| D | Checklists and Benchmarks..... | 63 |
| D.1 | Checklist: General Safety Practices, Hazards Management and Welfare Facilities | 64 |
| D.2 | Checklist: Electrical Equipment, Machines and Power tools..... | 67 |
| D.3 | Checklist: Ergonomic Workplace Design and Manual Handling of Loads | 69 |
| D.4 | Checklist: Fire and Explosion, Gas Cylinders and Emergency Preparedness..... | 71 |
| D.5 | Checklist: Accident prevention: safe working and heights, road safety | 73 |
| D.6 | Checklist: Dust and noise reduction, personal protective equipment..... | 75 |
